

MONTE FONTE DEI VINCHI TOSCANA

Indicazione Geografica Tipica

The Bianco Toscano is the result of an accurate vinification of the white grapes: 90% Chardonnay and 10% Trebbiano Toscano.

The grapes are fermented at 18C° so to retain the intense fragrance of fresh fruit.

The wine is bottled young to preserve a typical fresh bouquet. This white wine with its good body, fresh bouquet and smooth taste can be matched with every course.

It is perfect with fish – also with typical fish dishes such as Cacciucco alla Livornese and grilled shellfish – with first courses and white meats.

It is superb if served as an aperitif.

Grado alcolico: 13 % vol
